## **EXHIBIT 1      GENERAL REQUIREMENTS**

### **(a)      APPLICANT INFORMATION**

North Seneca Solar Project, LLC, the Applicant, is a direct subsidiary of Savion, LLC (Savion). Savion, a Shell Group portfolio company operating on a standalone basis, is one of the largest, most technologically advanced utility-scale solar and energy storage project development companies in the United States. With a growing portfolio of more than 41.5 gigawatts, Savion's diverse team provides comprehensive services at each phase of renewable energy project development, from conception through construction. As part of this full-service model, Savion manages all aspects of development for customers, partners, and project host communities. Savion is committed to helping decarbonize the energy grid by replacing electric power generation with renewable sources and delivering cost-competitive electricity to the marketplace. Savion is headquartered in Kansas City, Missouri, and was founded in 2019.

The North Seneca Solar Project will contribute to the fulfillment of the goals outlined in New York's Climate Leadership and Community Protection Act, enacted in 2019. Savion is committed to helping decarbonize the energy grid by replacing electric power generation with renewable sources and delivering cost-competitive electricity to the marketplace. Savion manages all aspects of development for customers, partners, and project host communities.

The Applicant's contact information is as follows:

North Seneca Solar Project, LLC  
422 Admiral Boulevard  
Kansas City, MO 64106  
Toll Free Phone: (888) 609-7166  
Email: info@savionenergy.com

### **(b)      Facility Website**

The Facility website can be found at: <https://www.northsenecasolarproject.com/>

### **(c)      Public Contact**

The Applicant's public contact is Camille Kaynor. Her contact information is as follows:

Camille Kaynor, Development Manager  
North Seneca Solar Project, LLC  
422 Admiral Blvd  
Kansas City, MO 64106

Toll Free Phone: 816-509-4173  
Email: ckaynor@savionenergy.com

**(d) Principal Officer**

The Principal Officer of North Seneca Solar Project, LLC is Scott Zeimetz. His contact information is as follows:

Scott Zeimetz  
422 Admiral Blvd  
Kansas City, MO 64106
